EINPresswire.com/ -- [Pettina Velez](#), a passionate new author and illustrator, proudly announces the release of her debut "Children's book, Learn Your ABC's Through Art with Me." This beautifully hand-painted book aims to inspire young readers to learn the alphabet while discovering the wonders of wild animals from around the world. Crafted with care and creativity, each page introduces a letter alongside an imaginative depiction of an animal, sparking curiosity and a love for art in children.

Learn Your ABC's Through Art with Me

Velez's unique approach to early childhood education shines through in this delightful book, where every letter is paired with vibrant, acrylic paintings of various animals. The illustrations of lesser-known creatures, like the Vicuna for the letter V and the Xerus for the letter X, have captivated young readers and educators alike. "The kids loved learning, drawing, and writing facts about these animals," said one enthusiastic elementary school teacher with 25 years of experience. "I've never seen art featuring the ABCs that draws you in as much as this one does. Students want to explore each page and discover new elements of the paintings."

Pettina Velez, a dedicated professional nanny for over two decades, has always been passionate about reading and teaching art to children. Inspired by her close work with young minds, she ventured into children's literature to combine her love of art and education. Velez lives in San Carlos, California, with her husband John, her two Chihuahuas, Emma and Kitty, and her faithful parrot, Watson. Her dedication to nurturing creativity in children is evident in her charming and educational stories.

"Learn Your ABC's Through Art with Me by Pettina Velez is a truly remarkable children's book and educational tool for both parents and children alike. The straightforward approach to each animal and letter, as well as the way the artwork compliments the animals and letter they represent made the book feel vibrant and alive on the page, as did the sense of creativity and joy that the author's work brought out in the reader.", says Jack Chambers of Pacific Book Review.

Pettina Velez's "Learn Your ABC's Through Art" is an exceptional children's book and educational resource for parents and kids. Available on [Amazon](#), Barnes & Noble, and other digital bookstores.
