

New Senior Life Plan Community Coming to the Albany, NY Area

ALBANY, NY, UNITED STATES, September 23, 2024 /EINPresswire.com/ -- [Franciscan Advisory Services](#) and The Daughters of Charity are excited to announce the development of [The Providence](#), a new senior living and Life Plan community in Menands, NY.

This project was originated and commissioned by the Daughters of Charity, as they sought to redevelop their aging campus and expand community senior living options in the Albany, NY area. The community will be located on the Daughters' 25-acre campus in Menands, NY adjacent to the Hamlet of Loudonville.

The Providence will be the first [Senior Life Plan Community](#) in the area, offering older adults independent living and the guarantee of further care when and if they need it. Residents receive seamless access to future care options on campus, providing them with peace of mind and financial security.

The Providence will feature premium amenities and exceptional living options, including Carriage and Villa homes, spacious one- and two-bedroom floorplans offering independent and assisted living, and memory care residences. Still in the planning stages, apartment size and price will vary and will include entrance and monthly fees.

"The planning process for this community has been years in the making; including advocacy, negotiation, community engagement and tireless work from the Daughters of Charity and Franciscan Advisory Services," stated Sister Nancy Murphy, Councillor and Treasurer of the Daughters of Charity, Province of St. Louise. "We are blessed to have the support from local officials and the continued support from the extended local community," she added. "The development will introduce the first Senior Life Plan community to the Albany area and ensure that our Sisters and future residents of The Providence will be provided with an exceptional lifestyle and the highest quality of care."
