

Dome by Hongbo Wung Wins Silver in A' Interior Design Awards

Hongbo Wung's Innovative Restaurant and Bar Design Recognized for Excellence by Prestigious International Jury

COMO, CO, ITALY, September 18, 2024 /EINPresswire.com/ -- The A' Design Award, one of the world's most respected design competitions, has announced Dome by [Hongbo Wung](#) as a Silver winner in the [Interior](#) Space and Exhibition Design category. This prestigious recognition highlights the exceptional creativity, functionality, and innovation of Wung's design within the highly competitive interior design industry.

Dome's success in the A' Interior Space, Retail and Exhibition Design Award demonstrates its relevance to current trends and needs within the interior

design sector. The design aligns with industry best practices while pushing boundaries in terms of aesthetics and functionality. This recognition underscores the practical benefits of Wung's design for users, the industry, and other stakeholders, emphasizing its utility and originality.

Wung's award-winning design stands out for its unique approach to creating a natural and comfortable atmosphere within a two-story building. By opening up a portion of the second floor and incorporating a transparent light film on the ceiling, Dome simulates the experience of a sunrise. The curved corners and light golden artistic paint further contribute to a relaxed and inviting ambiance, while the mixed-color light system adds a dynamic element reminiscent of the early morning sun.

The Silver A' Design Award serves as a testament to Hongbo Wung's commitment to excellence and innovation in interior design. This recognition is expected to inspire future projects and

Dome

influence industry standards, fostering further exploration and creativity within the field. The award motivates Wung and his team to continue striving for exceptional design solutions that enhance the built environment and the lives of those who inhabit it.

Dome was designed by Hongbo Wung, who played a central role in the project's conception and execution.
