

Gathering Night by Bocheng Lv Receives Silver in A' Interior Design Awards

Innovative Club Design Recognized for Exceptional Use of Space and Environmentally Friendly Materials

COMO, CO, ITALY, September 18, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced Gathering Night by [Bocheng Lv](#) as a Silver winner in the Interior Space and Exhibition Design category. This prestigious award celebrates the most innovative and well-executed designs from around the world, making it a significant achievement for Bocheng Lv and their team.

Gathering Night's recognition by the A' Interior Space, Retail and Exhibition Design Award highlights its relevance to current trends and needs within the industry. The design's innovative use of space, environmentally friendly materials, and unique atmosphere align with the evolving standards and practices of interior design. This award-winning project serves as an inspiration for designers and companies seeking to create spaces that prioritize both functionality and sustainability.

What sets Gathering Night apart is its creative adaptation to the irregular floors and low ceiling heights of the bar area. By utilizing different height differences, the design creates a dynamic and engaging spatial experience for guests. The use of natural materials such as Dulux paint, metal bricks, and rock slabs not only contributes to the overall aesthetic but also conveys a strong environmental awareness.

The Silver A' Design Award serves as a motivation for Bocheng Lv and their team to continue

pushing the boundaries of interior design. This recognition may inspire future projects that further explore the potential of sustainable materials and innovative spatial solutions. As the industry evolves, Gathering Night stands as a testament to the power of design in creating memorable and environmentally conscious experiences.
