Growth Driver of The Cat Litter Box Market

The rising pet expenditure is expected to propel the growth of the cat litter box market going forward. Pet expenditure is the overall spending associated with pet ownership, covering expenses such as food, grooming, medical care, and various supplies. The increase in pet expenditure is driven by a rise in pet ownership, a preference for high-quality products, and a greater emphasis on pet health and well-being. With the rising expenditure on pets, the cat litter
