Awards 2024', held on Monday 16th September in London's Glaziers Hall. Created in 2014 and organised by award-winning publication The World Of Fine Wine, these accolades are the most prestigious and rigorous global wine lists awards program.

Region by region, our pioneering program is exploring the rich world of unique and exquisite wines.

“

As pioneers in the holiday plan experience, we look forward to continuing to grow our wine lists and evolve our offering, for all our guests to enjoy”

Director of Wines*

Highlighting the resort's market leading offering, this achievement acknowledges OZEN RESERVE BOLIFUSHI's wine excellence. The resort strives to propose an outstanding range of diverse, authentic wines which deliver world-class value to guests through the 101 labels, all available for every guest to enjoy during their stay.

Attending the award ceremony, Nicolas Laguette, Group Director of Wines, commented, “For three years we've been aiming at this moment, at this achievement - to be

recognised for our wine excellence on a global scale. OZEN RESERVE BOLIFUSHI is the Regional Winner for Asia's 'Best All-Inclusive Wine List' and Asia's 'Best Spirits List', and we are delighted, as we push boundaries and raise guest expectation at both of our two Maldives resorts. We look forward to continuing to grow our lists and evolving our offering, for all our guests to enjoy”.

At THE OZEN COLLECTION, authentic wine culture is on the forefront and particularly since 2021, when hand-picked winery owners began to be invited and regularly visit each of the two islands in the Maldives to host authentic wine experiences for guests, with unique labels shared alongside authentic storytelling and elegantly curated menus, all seamlessly included within the RESERVETM Plan at OZEN RESERVE BOLIFUSHI and the INDULGENCE™ Plan at [OZEN LIFE MAADHOO](#).

“As pioneers in the holiday plan experience, we believe that removing all concerns about the cost of indulgence when relaxing on a dream castaway Maldivian escape fosters for an unforgettable experience and truly defines our brand position of ‘Refined Elegance’. This position transcends all aspects of luxury which is elevated further by curating unique wine experiences complimented by exquisite culinary journeys with every meal”, concluded Nicolas.

Coming up at both resorts this winter are exclusive Champagne and Canary Wine masterclasses, hosted by the owners & winemakers of both Champagne Guy Charbaut in October, followed by Bodegas Viñátigo of Tenerife in November.
