

NYC Climate Week: Wallet Max to Host Emerald Summit 2024 to Spotlight Women-Led Startups Driving Climate Innovation

"Women-Led Climate-Tech Startups & Impact Investors to Unite at Emerald Summit 2024 on Sept. 20th, Pioneering the Future of Clean Tech and Sustainable Finance"

NEW YORK, NY, UNITED STATES, September 18, 2024 /

EINPresswire.com/ -- A significant event will occur in NYC on Friday, September 20, 2024. The [Emerald Summit 2024—Funding Climate Startups](#) will focus on the critical discussion around clean tech, business, and the future of our planet amidst growing climate challenges. In the heart of [NYC Climate Week](#), the world's top high-profile women-led climate-tech startups and impact investors will unite to share the most urgent solutions for global climate action and sustainable and equitable finance.

New York is playing a critical role in shaping global climate solutions, and the Emerald Summit is set to be a significant catalyst for change. This isn't just another conference—this event brings together women-led startups and global leaders to shape the future of climate innovation
