Definition:

3) What all regions or countries are covered? Can we have a list of countries of my choice? Currently, the basic version research report focuses on regions such as North America, Europe, Asia-Pacific etc. The list of countries can be customized as per your interest and final confirmation would be dependent upon the feasibility test and data availability in the research repository.

4) How can we include Segmentation / Market breakdown of Business Interest? Is it possible to get information on Market Makers
Yes, the inclusion of additional segments is very much possible subject to data availability and the difficulty of the survey. At times our client requests market makers' information that can be covered on special request after considering requirements with the Analyst group of HTF MI.

** Depending upon the requirement the deliverable time and quote will vary.
