

# Ursus Recognized by Staffing Industry Analysts' Fastest-Growing Staffing Firms List

*"4-Peat" - Company Defies Challenging Market Conditions with Continued Growth*

MORGAN HILL, CA, UNITED STATES, September 19, 2024 / EINPresswire.com/ -- Ursus, Inc. announced that for the fourth consecutive year, it has been named to the [2024 SIA's List of Fastest-Growing Staffing Firms](#). Published annually by Staffing Industry Analysts (SIA) – the global advisor on staffing and workforce solutions – the list ranks U.S. firms by compound annual growth rate (CAGR) for staffing revenue over five years.

“We are thrilled to be recognized by the SIA for the fourth consecutive year as one of the fastest-growing staffing firms in North America and one of the top ten pure-play technology and creative staffing providers on this list. Our formula is simple but not easy: we build and nurture our client and partner relationships, we look through an operating lens that is fanatically focused on quality first, and we take care of our people by making their jobs easier, helping them become experts in their field, and rewarding them for their success,” said [Jon Beck, Founder and CEO of Ursus](#).

To qualify for the 2024 list, staffing firms must have posted at least \$1 million in revenue in 2019 and achieved a compound annual growth rate of 15% or more between 2019 and 2023. Only organic revenue growth is considered;

growth from acquisitions and divestitures was excluded. All firms were required to verify their revenue.

The firms on the 2024 list had a median compound annual growth rate of 28.1% between 2019

and 2023 based on U.S. staffing revenue. The number of qualifying firms fell to 145 from last year's 158, demonstrating the recent market challenges.
