Statistics show that hate crimes in 2023 - 2024 targeting the LGBTQIA+ community are on the rise in Los Angeles County, and around-the-world, which is representative of a national and international political climate and movement fueled by intolerance, homophobia, bigotry, prejudice, and ignorance.

This year's 4th Annual Pomona Valley Pride Gayla theme, "Pride365: Honoring Our Past, Present, and Future," celebrates the timeless spirit of PRIDE while recognizing the achievements of the past, the vibrancy of the present, and the promise of the future.

Accordingly, Dr. Monica Lomeli will address in her KEYNOTE ADDRESS the problems the LGBTQIA+ community has experienced in the past, face in the present, and solutions, actions, and resources available for a brighter future.
