NORTH MIAMI BEACH, FL, UNITED STATES, September 19, 2024 /EINPresswire.com/ -- From their Childhood Cancer Awareness Month Proclamation Initiative, Childhood Cancer Police Car Initiative, Light Miami Gold Initiative and the Gold Ribbon Parade, there is nothing the [Mystic Force Foundation](#) sets out to do that they cannot accomplish.

Every day is a day to raise awareness for children battling cancer, but September is the one month nationally recognized and dedicated to Childhood Cancer. This month the [Foundation](#) works tirelessly to turn South Florida and the country Gold in support of the bravest little Heroes ever known. This month check out the beautiful golden lights as you drive by landmarks such as the Philip and Patricia Frost Museum of Science, Miami Beach City Hall, Doral City Hall, and other buildings and monuments in South Florida, to see what the Golden Lights of Support for children battling cancer looks like. The Mystic Force Foundation is thankful to all of the South Florida buildings who answered their call for support and are illuminating Gold to raise awareness and support our children.

The Childhood Cancer Awareness Month Proclamation Initiative takes the Mystic Force Foundation to cities throughout South Florida who are proclaiming Childhood Cancer Awareness Month. The Foundation is grateful to all the Mayors and Council members that support this

initiative and the public is invited to join the Foundation at all of the city council meetings this month. Dates and times will be provided on the Foundation's social media sites.

In continuous dedication to the fight against Childhood Cancer the Foundation also takes their efforts this month to Washington DC as Sponsors of [Curefest](#) USA for the 11th consecutive year.

In the evening, as Sponsors in collaboration with Devon and Blakely, the Directors will attend the Golden Toast at the LIUNA Building overlooking the Whitehouse which will illuminate Gold that evening. “ The only way we will ever find cures for our children is to raise awareness of this devastating disease. We ask the public for their continued help in raising awareness for our sweet, brave children.”

Silvia Dominguez Vanni, Co-Founder, Executive Director

On Saturday September 28th the streets of South Florida will be turning Gold as the Mystic Force Foundation's 7th Annual Childhood Cancer Police Car Initiative Gold Ribbon Parade descends upon the streets of South Florida. Gold Ribbon adorned Police vehicles, Fire Rescue vehicles and SuperHero vehicles will caravan 33 miles from Nicklaus Children's Hospital past Holtz Children's

Hospital & Alex's Place, the Ronald McDonald House of South Florida and Joe DiMaggio Children's Hospital in a massive display of Hope, Love & Unity for the littlest Heroes battling Childhood Cancer. The Parade serves as a reminder to these families that they are never alone in their fight, that there is always an army of support behind them. Viewing locations and approximate times will be listed on the Foundation website and social media prior to event date.

Mystic Force Foundation encourages the public to support children battling cancer this month by wearing Gold ribbons, attending or hosting a fundraising event, volunteering, and/or giving blood. The Foundation also asks that everyone take a moment this month to remember and honor the memory of the children lost to Childhood Cancer, including the inspiration of the Mystic Force Foundation, Salvatore Antonio Vanni, forever 7.
