

The European Interviews Jonathan Cardona, CEO of Residency Malta

LONDON, UNITED KINGDOM,
September 19, 2024 /

EINPresswire.com/ -- Residency Malta serves as the Government agency responsible for managing the highly sought-after residency-by-investment programme, the Malta Permanent Residence Programme (MPRP). Meticulously crafted in close collaboration with a wide array of stakeholders, they firmly believe that the distinguishing features of the MPRP give significant value to beneficiaries. Their programme operates under a rigorous multi-tier due diligence process, ensuring that only fit-and-proper individuals and families obtain Maltese permanent residency.

In addition to the MPRP, Residency Malta has other remarkable offerings, including the Nomad Residence Permit, Malta's digital nomad visa, and the Malta Startup Residence Programme. These programmes cater to the diverse needs of individuals seeking new alternative residency solutions, aligning with Malta's vision of fostering innovation, entrepreneurship, and attracting skills and international talent.
