

The Kitchen Paper Manufacturer Carccu® Achieves FSC Certification

The Finnish kitchen paper manufacturer Carccu® has been awarded Forest Stewardship Council (FSC) forest certification.

SASTAMALA, FINLAND, September 19, 2024 /EINPresswire.com/ -- Carccu®, a Finnish leader in sustainable paper packaging solutions, proudly announces its achievement of FSC certification. This significant milestone underscores Carccu®'s dedication to responsible sourcing and sustainable manufacturing, reinforcing its position in the forefront of greener kitchen paper industry.

Sustainable Manufacturing: Carccu's Core Philosophy

Carccu® has long invested in sustainability within its operations and processes. The recent FSC (Forest Stewardship Council) ensures that the raw materials used in Carccu's products come from well-managed forests that provide environmental, social, and economic benefits. By using responsibly sourced materials and implementing sustainable manufacturing processes, Carccu® ensures that their operations have a minimal environmental impact.

CARCCU®

Compostable PFAS-Free Baking Paper and Baking Parchment for Professional Kitchens

Carccu® Professional [baking papers and baking parchments](#) are produced in Finland, do not contain PFAS or other fluorochemicals and are biodegradable. [The PFAS-free baking papers](#) withstand high temperatures and feature a siliconized non-stick surface on both sides. Carccu®'s [greaseproof parchment papers](#) are designed for food wrapping and other culinary applications where direct contact with food is necessary and also serve as tracing paper for crafts.

Carccu®'s Achievements and Vision for the Future

In addition to FSC, Carccu® has recently secured also PEFC certification (Programme for the Endorsement of Forest Certification) and ISO 9001 and ISO 14 001 quality system certifications. Through continuous innovation and a steadfast commitment to quality, Carccu® is well-positioned to excel in environmental stewardship for years to come.
