

Samuel Waxman Cancer Research Foundation Hosts the 42nd Annual Golf Tournament

Annual Tournament Raises in Excess of \$250,000 Towards Cancer Research Programs

NEW YORK, NY, UNITED STATES,
September 19, 2024 /

EINPresswire.com/ -- The Samuel Waxman Cancer Research Foundation's (SWCRF) 42nd Annual Golf Tournament took place at the scenic Fresh Meadow Country Club in Lake Success, NY. More than 100 participants and numerous supporters raised more than \$250,000 in support of SWCRF cancer research initiatives such as the Institute Without Walls™, the International Network for Aging and Cancer Research, and the SWCRF Women's Cancer Research Program. Together, these research programs are funding more than 60 scientists across the United States and around the world.

Over the last 20 plus years, scientific advancements have led to a decrease in cancer mortality by nearly 30 percent. However, despite significant progress in prevention, cancer incidence is increasing worldwide. To combat this, SWCRF directed more than \$2.3 million in donor-supported funds to some of the world's leading research institutions and scientists this year alone. Unique to SWCRF, funded investigators must collaborate with
