

BLU3 to Showcase Innovative Battery-Powered Dive Systems at Annapolis Sailboat and Powerboat Shows

POMPANO BEACH, FL, UNITED STATES, September 21, 2024 /

EINPresswire.com/ -- BLU3, a leader in battery-powered dive systems, is excited to announce their participation in the upcoming Annapolis Sailboat Show and Annapolis Powerboat Show. The shows, which will take place from October 10-14, 2024 and October 3-6, 2024 respectively, will provide an excellent opportunity for boat owners to discover BLU3's innovative [Nomad](#) and [Nomad Mini](#) dive systems at booth D71.

BLU3's Nomad and Nomad Mini dive systems are revolutionizing the way boat owners approach underwater maintenance, hull cleaning, and adventure. These lightweight and portable systems allow users to dive up to 30 feet deep without the need for heavy tanks or complicated equipment. With a compact design and easy setup, the Nomad and Nomad Mini are perfect for boat owners who want to explore the underwater world or take care of maintenance tasks with ease.

"We are thrilled to be exhibiting at the Annapolis Sailboat and Powerboat Shows," said BLU3 CEO, Blake Carmichael. "Our Nomad and Nomad Mini dive systems have
