MESA, AZ, UNITED STATES, September 19, 2024 /EINPresswire.com/ --

AZCOMP Technologies is excited to announce the sale of [CGM LYTEC 2025](#), the latest version of the trusted and affordable practice management software. Designed to simplify medical billing processes, increase productivity, and maximize revenue, CGM LYTEC 2025 brings powerful new features to enhance the efficiency of your business.

With AZCOMP Technologies, you can trust that our world-class support staff, trainers, and implementation team will ensure your practice is set up for success, maximizing the software's full potential."

Keven Cluff

Key Features of CGM LYTEC 2025 Include:

Integrated Credit Card and ACH Processing: CGM LYTEC 2025 introduces seamless credit card and ACH payment processing with CGM PAY, making setting up and automating patient payments easier.

Enhanced Patient Responsibility Estimates: Provide accurate cost estimates at the point of care, now expanded to include self-pay and uninsured patients, improving patient satisfaction and financial transparency.

Insurance History Tracking: Track patients' insurance history, easily viewing transitions between carriers or terminations.

Duplicate Charge Warnings: Avoid billing errors with notifications for duplicate charges on the same date of service and provider.

Customizable Charge Entry Messaging: Prevent coding errors with date-based alerts during
