

Comintelli Awarded Government Contract for Market Intelligence Platform from Battelle/PNNL

STOCKHOLM, STOCKHOLM, SWEDEN, September 20, 2024 /EINPresswire.com/ -- Comintelli (publ), a market leader in Market and Competitive Intelligence platforms, announces that it has been awarded a government contract to provide its market intelligence platform to Battelle and the Pacific Northwest National Laboratory (PNNL). This contract underscores Comintelli's

“

We are proud to expand into the U.S. public sector, and this contract marks an exciting milestone for Comintelli,”

*Jesper Martell, CEO at
Comintelli*

continued growth in delivering advanced intelligence solutions to organizations at the forefront of scientific and technological innovation.

Battelle (<https://www.battelle.org/>), a global leader in applied research and technology, manages the Pacific Northwest National Laboratory (PNNL) on behalf of the U.S. Department of Energy. PNNL is renowned for its groundbreaking research in energy, environmental sustainability, and national security. Comintelli's platform

will enhance this work by organizing and delivering relevant information to support more informed decision-making processes.

“We are proud to expand into the U.S. public sector, and this contract marks an exciting milestone for Comintelli,” said Jesper Martell, CEO of Comintelli. “We are also pleased to announce that Comintelli has obtained our ID from SAM.gov, which is a key step for conducting further business with U.S. federal agencies. This aligns with the updated federal procurement requirements, positioning us well to support U.S. agencies with AI-driven tools for competitive intelligence and market research.”
