

International SOS and Iqarus Strengthen Their Presence in Australia

Further solidifying their support to key government agencies across the Pacific International SOS and Iqarus will be at the ICMM World Congress in Brisbane.

SYDNEY, AUSTRALIA, September 22, 2024 /EINPresswire.com/ -- To further solidify their joint commitment to supporting key government agencies across the Pacific, [International SOS](#), the world's leading health and security services company, together with its subsidiary [Iqarus](#), will be exhibiting at the 45th ICMM World Congress on Military Medicine in Brisbane. The team will present on Contracted Solutions for Far Forward Operations as part of the international conference on Tuesday, 24th September.

International SOS has a proven track record across the Pacific region, combining global expertise with a deep understanding of the unique medical requirements for humanitarian relief, military operations, and multilateral exercises. With pre-positioned medical supplies, operational experience across the Pacific region, and the ability to engage large-scale distributed workforces; International SOS integrates seamlessly with uniformed capability, offering agile solutions that adapt to domestic and expeditionary military requirements.

International SOS also provides medical capability and health expertise to regional military and police forces across the Pacific, enhancing their operational effectiveness. Services in countries such as Fiji, Papua New Guinea, Vanuatu, Tuvalu, Kiribati, and Nauru include medical staffing, deployable clinics, medical supplies, and technical advice for the redevelopment of hospitals and health services in remote locations.

In contested environments, International SOS, alongside Iqarus, deploys with active military forces on peacekeeping and operational missions, delivering comprehensive medical support in conflict and post-conflict areas. Iqarus, a leader in providing medical care and [training](#) in challenging environments, plays a crucial role in this partnership.

Mission Enabling Support

The collaboration between International SOS and Iqarus is built on a shared commitment to providing mission-enabling medical support, regardless of the complexity or environment. Their global experience ensures tailored solutions that are delivered on time and within budget, meeting the specific needs of their clients.

Their expertise spans the entire operational care pathway:

- Pre-deployment, Tactical Combat Casualty Care (TCCC), Medic Refresher, and Combat Medic Training
- Pre-hospital Emergency Care
- Far Forward Medical Care
- CASEVAC and MEDEVAC
- Damage Control Resuscitation and Surgery
- Deployable Infrastructure
- Recovery and Rehabilitation
- Tactical and Strategic MEDEVAC

Making a Difference

International SOS and Iqarus are trusted partners to military forces, providing tailored solutions that enhance operational effectiveness and save lives. Their shared mission is to ensure that those who protect and serve are always supported by the highest standards of medical care.

Meet Us at The 45th ICMM World Congress on Military Medicine

International SOS and Iqarus will showcase their capabilities at the 45th ICMM World Congress on Military Medicine, from 23 to 27 September 2024, in Brisbane, Australia. Attendees are invited to visit booths 21 to 23 to learn more about how they are advancing medical support for military forces globally. This event is an excellent opportunity to engage with industry leaders and explore innovative solutions designed to meet the evolving needs of military operations worldwide.
