committed at least USD 40 million, while GAC will contribute about USD 55 million (CDN \$85M), totaling approximately USD 95 million, to enhance educational opportunities, equip youth and children with green skills, and drive social impact through innovative initiatives.

This collaboration seeks to uplift youth and children in over 60 countries by advancing access to quality education through green skills, creating employment opportunities, and fostering social development, ultimately empowering marginalized communities to thrive. The partnership emphasizes coordinated efforts in shaping development policies and implementing educational programs while addressing critical global challenges such as climate

change and improving the quality and accessibility of education

About the Education Above All (EAA) Foundation

The Education Above All (EAA) Foundation is a global foundation established in 2012 by Her Highness Sheikha Moza bint Nasser. EAA Foundation aims to transform lives through education. We believe that education is the single most effective means of reducing poverty, creating peaceful and just societies, unlocking the full potential of every child and youth, and creating the right conditions to achieve Sustainable Development Goals (SDGs).

Through our multi-sectoral approach, unique financing models, focus on innovation as a tool for social good, and partnerships, we aim to bring hope and real opportunities to the lives of impoverished and marginalised boys and girls. EAA Foundation is comprised of the following programs: Educate A Child (EAC), Al Fakhoora, Reach Out to All (ROTA), Protect Education in Insecurity and Conflict (PEIC), Innovation Development (ID) and Together project.
