

Alabama Mesothelioma Victims Center Urges a Navy Veteran with Lung Cancer or Mesothelioma Anywhere in Alabama to Call the Birmingham Based Lawyers at the Environmental Litigation Group-Get Better Compensation

BIRMINGHAM , AL, UNITED STATES,
September 23, 2024 /

EINPresswire.com/ -- The Alabama Mesothelioma Victims Center says, "If you are a Navy Veteran with just diagnosed lung cancer or mesothelioma anywhere in Alabama, please make financial compensation a priority and call the legal team at the Birmingham based Environmental Litigation Group at 866-714-6466. Financial compensation for a Navy Veteran with asbestos exposure lung cancer might be hundreds of thousands of dollars and or a million dollars plus for a Navy Veteran with mesothelioma in Alabama.

"Navy Veterans who served in the navy prior to 1983 are still the top work group for developing asbestos exposure lung cancer and mesothelioma in the USA. Some Navy Veterans who served before the early 1980s would have had daily routine exposure to asbestos-especially if they worked in a ship's engine room, a submarine's propulsion center, in a machine shop or as part of a repair crew on a ship or submarine. We want to make certain people like this get compensated if they have developed lung cancer or mesothelioma.

"If your Navy Veteran dad or loved one has developed lung cancer or mesothelioma in Alabama, please call the Birmingham based Environmental Litigation Group about compensation at 866-714-6466. Most Navy Veterans who will develop lung cancer never get compensated because they are not aware the \$35 billion-dollar asbestos trust fund was set up for them too."
