DETROIT, MI, UNITED STATES,

September 25, 2024 /

[EINPresswire.com/](https://www.einpresswire.com/) -- The Michigan Mesothelioma Victims Center is strongly recommending the family of a plumber with recently diagnosed lung cancer or mesothelioma anywhere in Michigan to call the remarkable legal team at the Detroit based law firm of Zamler Shiffman & Karfis anytime at 866-714-6466 to discuss financial compensation. The lawyers at Zamler Shiffman & Karfis have been assisting people with asbestos exposure lung cancer and mesothelioma in Michigan for over 45 years and they consistently produce significant financial compensation results for their clients.

The group says, "Plumbers who were working before the mid-1980s might be the top at risk group for asbestos exposure or most certainly one of them. Plumbers who were working in Michigan before 1983 would have had routine exposure to asbestos in homes, commercial buildings, factories, auto plants and power plants. Aside from fixing broken pipes surrounded by insulation that contained asbestos, plumbers would have repaired plumbing pumps, furnaces, boilers and other equipment that all contained asbestos. Plumbers who develop asbestos exposure lung cancer or mesothelioma might be the top work group for compensation because they had so much exposure to asbestos in a variety of ways.

"If your husband or dad is a current or former plumber in Michigan with lung cancer or mesothelioma anywhere in Michigan, please call the lawyers at Zamler Shiffman & Karfis anytime at 866-714-6466. We are certain these are the best lawyers to call in Michigan for client compensation results."
