impact.

"I'm honored to join Abundance Studios® and to contribute to the important work of using storytelling as a vehicle for change," said Gwen. "My passion has always been to shed light on issues that matter, and I'm excited to partner with a team that shares a commitment to creating films that inspire, inform, and empower. Together, we have the opportunity to make a real impact."

Abundance Studios® currently has two films in development for its 2024 slate. In June, production began on a new, feature-length documentary about Guy Harvey, the renowned marine conservationist and artist, further expanding the studio's diverse portfolio. The second documentary in production recounts the compelling story of Brisa de Angulo, showcasing her incredible journey. 'BRISA' chronicles the remarkable journey of one woman who overcame a history of abuse growing up in Bolivia to not only seek justice for herself but reform the laws in 25 countries, helping more than 2,000 children navigate the court system to escape sexual assault in the process.
