The Minelab X-TERRA ELITE series is powered by Multi-IQ — a breakthrough in treasure detection combining cutting-edge technology and affordability. Designed for the strategic hunter in search of a fully-waterproof, feature-rich machine with proven multi-frequency technology, the X-TERRA ELITE offers an impressive set of features, including:

- **Minelab Multi-IQ®** — With Minelab’s revolutionary Multi-IQ® technology there is the combined power of multiple detectors in one. Nothing goes undiscovered and no terrain is off limits.
- **All-Terrain Detecting** — Choose between 2 x Park, 2 x Field, and 2 x Beach pre-programmed Search Modes. Whether swinging in the fields or swimming in the shallows, X-TERRA ELITE finds treasures others miss.
