

# New Book Explores Christ's 1000-Year Reign and Sevenfold Blessings

*Embrace the Christ the King Calendar and experience sevenfold blessings of light, love, and peace in this sacred era.*

VANCOUVER, BRITISH COLUMBIA, CANADA, September 20, 2024 /EINPresswire.com/ -- A heartfelt new spiritual guide, "God's Foot is on the World: Christ the King Millennium Era Begins" by Rev. Fr. Ignatius Mary Okoroji SDV, introduces readers to a transformative period in history—the 1000-year reign of Christ the King. This visionary work unveils how the world is now entering an era of divine intervention, signaling the manifestation of Christ's sovereignty across the globe. Rooted in both scripture and miraculous events witnessed in Africa, this book serves as a guideline for navigating life during this sacred millennium.

God's Foot is on the World: Christ the King Millennium Era Begins

Central to the book's message is the concept of the "Christ the King Calendar", which outlines the sevenfold blessings bestowed upon humanity in this new era. This calendar, based on the seven-day cycle of Christ's mysteries, illuminates the path to a life immersed in divine grace. Each day of the week reflects a different aspect of God's divine presence, leading to blessings such as:

**Sevenfold Light:** Christ's mysteries shine as a symbol of hope, bringing the light of God to the forefront of everyday life.

**Sevenfold Love:** As God is love, this era ushers in a renewed spirit of love for God and neighbor.

**Sevenfold Peace:** With the end of war and famine, peace reigns both in the present and as a remedy for past generations' sins.

This sevenfold approach also marks the restoration of what has been stolen by the forces of evil throughout history. Rev. Fr. Okoroji draws from scriptures such as Joel 2 and Proverbs 6:30-31, affirming God's promise of restoration: "I will restore to you the years that the swarming locust has eaten." Readers are invited to experience a New Pentecost, a rebirth of spiritual fervor as nations adopt this divine calendar.

The book also narrates miraculous events that occurred between 2006 and 2007 in a local diocese in Africa. These events, described as "nsccha na nkpocha" (sweeping away debris), serve as the spark that ignited global transformation. Fr. Okoroji recounts how entire communities turned away

from pagan worship, destroyed shrines, and embraced Christ, cult members renounced their allegiance and were baptized, and evil practices were abandoned, and divine protection intervened during an assassination attempt on missionaries, where a miraculous wall of fire thwarted attackers, leading them to convert to Christianity in what is now known as the "Miracle of the Flame of God."
