

# YOUVIEW COMPANY LTD Introduces New Platforms for Online Education, AI Expertise, and Academic Networking

*YOUVIEW COMPANY LTD is transforming the future of learning, expert access, and academic collaboration with its innovative platforms*

LONDON, LONDON, UNITED KINGDOM, September 23, 2024 /EINPresswire.com/ -- [YOUVIEW COMPANY LTD](https://www.youviewcompany.com/), a startup based in London, announces the launch of its three platforms: [Youview London University UK](https://www.youviewlondon.com/), [Pocket Expert](https://www.youviewcompany.com/pocket-expert), and [Younivix](https://www.youviewcompany.com/younivix). These platforms aim to enhance access to education, expert knowledge, and academic networking for individuals and professionals worldwide.

The image shows the YOUVIEW COMPANY LTD logo at the top, featuring a stylized blue 'Y' with a globe icon. Below the logo, three platforms are highlighted in blue boxes: YOUVIEW LONDON UNIVERSITY (with a UK flag icon), Younivix Academic Network (with a stylized 'Y' icon), and Pocket Expert Expert AI in your pocket (with a 'Pocket EXPERT.io' icon). To the right, a vertical panel titled 'Empowering Education Through Innovation' features a portrait of Yassine H.A. CEO & Founder with a UK flag, and three smaller portraits of James O'Neill, Kristen Lewis, and Nataliya Stepuleva. The address '20-22 Wenlock Road, N1 7GU London - United Kingdom' is listed at the bottom of this panel. A yellow arrow points from the Younivix icon to the CEO's portrait.

Youview London University UK: Redefining Digital Education for Global Learners

“

At YOUVIEW COMPANY LTD, we empower people by redefining learning, expertise, and connections, inspiring everyone to achieve their full potential.”  
*Yassine H.A - CEO & FOUNDER*

Youview London University UK

<https://youviewtraining.com>) sets new standards in online learning with its flexible, high-quality educational programs. This forward-thinking institution offers accredited certifications and diplomas in fields like Business and Management, Data Analytics, and more. The certified Learning Management System (LMS) provides a student-centered experience that blends academic rigor with practical skills, preparing students for real-world challenges.

Key Features:

Accredited Programs: Diplomas and certifications that are globally recognized.

Flexible Learning: Online courses designed for convenience and accessibility.

Expert Supervision: Courses guided by qualified professionals and industry experts.

Global Reach: Accessible from anywhere, allowing students worldwide to gain valuable qualifications.

“We believe in providing accessible education that empowers students to achieve their goals, no matter where they are,” said a representative of Youview London University UK. “Our mission is to make learning flexible, practical, and tailored to the needs of the modern student.”

Pocket Expert: Real-Time AI Expertise in the Palm of Your Hand

Pocket Expert (<https://pocketexpert.io>), available as an application, is YOUVIEW COMPANY LTD’s groundbreaking AI-driven platform that delivers real-time access to expert knowledge across various fields, including finance, healthcare, technology, and more. The platform’s user-friendly interface, designed to mimic popular chat applications, allows users to interact with AI experts in a way that feels like conversing with a trusted advisor.

The advanced AI technology behind Pocket Expert continuously learns and adapts, providing users with accurate, context-specific advice that helps them make informed decisions in their daily lives. Whether it’s quick financial tips, health guidance, or insights on technological trends, Pocket Expert provides an interactive and reliable experience.

Key Features:

On-Demand Expertise: Instant answers to questions across multiple fields.

AI-Driven Interaction: Personalized, human-like responses from virtual experts.

User-Friendly Design: Interactive chat interface for seamless user experience.

24/7 Availability: Access expert advice anytime, anywhere.

“Our goal with Pocket Expert is to make expert knowledge accessible to everyone, instantly,” said a spokesperson for YOUVIEW COMPANY LTD. “We’re excited about Pocket Expert’s potential to revolutionize how people access knowledge and make informed decisions.”

Younivix: The First Academic Social Network for Global Scholars

Younivix.com (<https://younivix.com>) is the world’s first academic social network dedicated to connecting students, scholars, and academics across the globe. Unlike traditional social media platforms, Younivix is purpose-built to foster academic collaboration, networking, and knowledge sharing. It serves as a vibrant community where users can discuss ideas, share research, and engage in meaningful academic discourse.

With features such as academic forums, discussion groups, and resource-sharing tools, Younivix

supports personal and professional growth by providing a collaborative environment where learners and thought leaders can connect and explore new opportunities. The platform aims to bridge the gap between academic institutions and create a unified global community of academics.

#### Key Features:

**Academic Networking:** Connect with students, scholars, and academics worldwide.

**Collaborative Tools:** Engage in discussions, share research, and work on joint projects.

**Global Community:** A diverse network of academics from various fields and institutions.

**Growth Opportunities:** Expand your academic and professional network.

“Younivix is more than just a platform; it’s a community where academics can connect, collaborate, and grow together,” said a YOUVIEW COMPANY LTD representative.

#### About YOUVIEW COMPANY LTD

YOUVIEW COMPANY LTD (<https://youviewcompanyltd.com>) is a London-based startup dedicated to revolutionizing education, expert access, and academic networking through its innovative platforms—Youview London University UK, Pocket Expert, and Younivix. By leveraging cutting-edge technology, YOUVIEW COMPANY LTD empowers individuals and professionals worldwide, connecting them with the tools and resources they need to succeed. The company’s potential valuation ranges from £19 million to £30 million, reflecting its strong market presence and innovative business model.
