#### ABOUT

The Bootleggers Music Group is a collection of individuals from across 7 continents who continue to magnetize listeners with their music. The seeds of the group were planted in 2020, when artist Paul Jones found himself and his business deemed “non-essential.” However, rather than wallow in darkness forever, he was inspired by a visit from his lifelong friend Wayne Maxwell, who suggested he turn to music and God for healing. It was a meaningful turning point in Paul’s life.

Producing something for everyone, no matter what their faith or belief, The Bootleggers Music Group’s lineup soon expanded to include not just fellow musicians, but producers, writers, and composers from all over the world. Currently, the group can be found performing at clubs, parties, and even parking lots across the region. With an unwavering love for both God and Music, they continue to inspire listeners with every song they perform.
