EINPresswire.com/ -- Poised to sizzle with suspense, passion, and intrigue, author Patricia S. Jackson presents her latest gripping novel, "[Delta Heat](#)," set against the sultry background of the Mississippi Delta. This riveting thriller will be at the front and center during The 35th Word on the Street Toronto Books and Magazine Festival and the 76th Frankfurt Book Fair.

Delta Heat

Central to the story is Milya Hargrove, a successful New York broker and night school instructor who returns to her childhood in the Mississippi Delta in search of answers to questions she cannot bring herself to ask. Her journey leads her to discover more than she expected, including foul play that forces her into the perilous underworld she believed she had left behind.

As Milya becomes entangled in a web of lies, she must turn to Rick Contello, a man whose charisma and strong presence have always distinguished him. Despite her best efforts to disassociate herself from him, their fates become entangled when they find themselves in possession of stolen goods. They must negotiate their relationship tension, overcome old wounds, and face the threats that lurk around every corner.

However, as passions flare and tensions mount, Milya and Rick are forced to choose between their personal desires and the harsh realities they face. In a world where trust is frail and betrayal is unavoidable, will they endure the heat of the Delta?

With every flip of the page, Patricia S. Jackson brilliantly weaves a plot of high stakes, betrayal,

and unmistakable attraction between her two main characters. “Delta Heat” is a page-turning emotional rollercoaster that delves into the tensions of love, survival, and the quest for justice. Her captivating style and intriguing stories fascinate readers, leaving them anxious for the next twist.
