The Fiduciary Advisor Network Welcomes Thomas Colone as Its Newest Member

CHARLOTTE, NC, UNITED STATES,
September 23, 2024 /

EINPresswire.com/ -- The Fiduciary Advisor Network proudly announces the addition of a distinguished new advisor, Thomas Colone, of the Tom Colone Agency. This partnership not only strengthens the network's capacity of esteemed advisors, but also promises significant benefits for the Charlotte community.

Born and raised in Upstate New York, Thomas Colone graduated with a Bachelor of Science degree from Syracuse University in 1987. After many years of managing companies for others, he entered the financial services industry in 2006 and opened his own agency. Thomas' focus has always been on helping clients protect their families, assets, and financial legacies through the strategic use of various insurance products, annuities, and variable investment products. He takes a more conservative approach when counseling clients, showing them how to protect the assets they've built over a lifetime, enjoy those assets in retirement, and leave a financial legacy for their children and grandchildren in the most tax-efficient way.
