Further notable attendees and sponsors will be announced in the coming weeks.

In addition to our Thanksgiving events, we are thrilled to announce that Christy's Foundation has received a nomination to participate in Benevity's Giving Program. This incredible opportunity allows Apple Inc. employees to support our mission, with Apple matching every donation made by its volunteers. We are truly honored to be part of this initiative and look forward to the positive impact this partnership will bring to our efforts in providing food relief to families in need.

"We are honored to give back to our community and to partner with local leaders like Councilman John Lee, Glendale City Councilmember Ardy Kassakhian, and David Bright from Mayor Karen Bass's office to make this Thanksgiving special for those who need it most," said Christy's Foundation. "With the support of the Glendale Galleria, Northridge Mall, and our valued sponsors America's Next Investment, Albertsons, Smart & Final, as well as the contributions from local food banks and grocery stores, we are making sure families can enjoy a meal together this holiday season. Additionally, the new partnership with Apple through Benevity's Giving Program opens a new avenue for support, helping us expand our reach and impact even further."
