Xtraspots is dedicated to revolutionizing urban mobility and fostering sustainable cities through innovative platforms such as "Xtraspots for Merchants" and "Xtraspots Xchange."

"Xtraspots for Merchants" helps garage and lot owners elevate their business using a no-fee, comprehensive payment processing and reservation platform. This smart solution optimizes operations, reduces costs, improves online presence, increases sales, and enhances customer satisfaction, ensuring businesses can efficiently manage their parking operations while maximizing profitability.

By connecting property owners with drivers, this platform enables people to earn passive income effortlessly. It optimizes parking space distribution, contributes to environmental sustainability, and turns a common hassle into a universal opportunity.

His leadership at Xtraspots, a Bronx-based Latino-owned tech company, has earned the praise of partners like George Cabrera, owner of GGG parking located at 920 Westchester Ave Bronx NY 10459. Cabrera states, "We are happy to work with Xtraspots, a Bronx-based Latino-owned tech

company, and are happy to use their processing platform to accept credit cards. We are excited to get their reservation system active soon as we are onboarding at all 5 of our locations."
