

# Jiangcheng Business Innovation Center by Shanghai Wei Design Co., Ltd. Wins Bronze in A' Interior Design Awards

*Shanghai Wei Design Co., Ltd. Receives International Recognition for Innovative Interior Design of Jiangcheng Business Innovation Center*

COMO, CO, ITALY, September 24, 2024 /EINPresswire.com/ -- The A' Design Award, one of the world's most prestigious and highly respected [design competitions](#), has announced that Jiangcheng Business Innovation Center by Shanghai Wei Design Co., Ltd. has been awarded the Bronze A' Design Award in the [Interior](#) Space and Exhibition Design category. This recognition highlights the significance of the Jiangcheng Business Innovation Center within the interior design industry as an outstanding example of creativity, functionality, and innovation.

The Jiangcheng Business Innovation Center's award-winning design is particularly relevant to the evolving needs and trends within the interior design industry. By seamlessly integrating elements of an art gallery, business office, and coffee bookstore, the design challenges traditional notions of office spaces and aligns with the growing demand for versatile, human-centric environments. This innovative approach offers practical benefits for users, showcasing how thoughtful design can enhance both productivity and well-being in the workplace.

The interior public area design of the Jiangcheng Business Innovation Center stands out for its unique fusion of minimalistic aesthetics and deconstructivist elements. The careful use of micro-cement art wall paint creates a sense of simplicity and purity, allowing the architectural structure and artistic exhibits to take center stage. The incorporation of artwork, such as paintings from

Huang Yi's River of Stars and Feathers of Nature series and the sculpture The Witty Rabbit Ricky, adds depth and intrigue to the space, inviting exploration and contemplation.

This prestigious recognition from the A' Design Award serves as a testament to Shanghai Wei Design Co., Ltd.'s commitment to excellence and innovation in interior design. The award not only validates the firm's design philosophy and approach but also inspires the team to continue pushing boundaries and exploring new possibilities in future projects. By setting a new standard for office design, the Jiangcheng Business Innovation Center has the potential to influence industry practices and inspire other designers to think beyond traditional norms.

Jiangcheng Business Innovation Center was designed by the talented team at Shanghai Wei Design Co., Ltd., including Wei Liang, Feng Weiqiang, Qin Wangyang, and Qi Yue. Their collective expertise and dedication to creating a space that seamlessly blends art, functionality, and innovation have been instrumental in the project's success and recognition.

About Bronze A' Design Award

The Bronze A' Design Award recognizes outstanding designs that demonstrate creativity, practicality, and professional execution. The award acknowledges the skill and dedication of designers who produce work that positively influences industry standards and enhances people's lives. Winning designs are selected based on rigorous criteria, including innovative use of space, material selection, functional layout, color scheme mastery, lighting design proficiency, sustainability, cultural relevance, ergonomics, and attention to detail. The Bronze A' Design Award is a prestigious recognition of design excellence, highlighting the potential of thoughtful design to make a positive impact on society.

About A' Design Award

The A' Design Award is an international, juried design competition that has been recognizing and promoting superior design across all industries since 2008. With a mission to create a better world through the power of good design, the A' Design Award celebrates innovative projects that positively impact society. The competition welcomes entries from visionaries, leading design agencies, innovative companies, and influential brands worldwide. Winning the A' Interior Space,

Retail and Exhibition Design Award provides designers with global recognition and increased status within the competitive industry. Through a rigorous blind peer-review process by an expert jury panel, the A' Design Award identifies and honors pioneering designs that inspire and advance the field of interior design.
