COMO, CO, ITALY, September 24, 2024 /EINPresswire.com/ -- The A' Design Award, a highly respected recognition in the field of [interior](#) design, has announced [Lea Shanati](#)'s exceptional work, "Blues," as the Bronze winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the significance of Shanati's innovative bedroom design within the competitive interior design industry.

Blues showcases Shanati's ability to create a tranquil haven that resonates with current trends and needs in interior design. The seamless

integration of soothing blues and elegant gold accents, inspired by the surrounding park views, exemplifies how this design aligns with and advances industry standards. By incorporating thoughtful material choices and architectural elements, Blues offers a practical and aesthetically pleasing solution for modern living spaces.

Shanati's award-winning design stands out for its harmonious blend of classic and contemporary elements. The Victorian-inspired arches, reflected in the wallpaper, mirrors, and lamps, create an ethereal ambiance that complements the serene color palette. The incorporation of luxurious materials, such as velvet, suede, and leather, elevates the overall design, while the dedicated lounge area adds functionality and invites relaxation.

This recognition from the A' [Design Awards](#) serves as a testament to Shanati's dedication to pushing the boundaries of interior design. The accolade is expected to inspire future projects

Blues

within the brand, fostering further innovation and exploration of unique design solutions that prioritize both aesthetics and functionality.
