

Green Circ by Nima Nazem Zomorodi Wins Bronze in A' Jewelry Awards

Nima Nazem Zomorodi's Innovative Green Circ Jewelry Set Recognized with Prestigious A' Design Award in Jewelry Category

COMO, CO, ITALY, September 24, 2024 /EINPresswire.com/ -- The highly respected A' [Design Award](#) has announced [Nima Nazem Zomorodi's](#) Green Circ as a Bronze winner in the [Jewelry](#) Design category. This prestigious recognition highlights the exceptional creativity and craftsmanship of Zomorodi's work within the competitive jewelry industry. The A' Jewelry Design Award is widely regarded as one of the foremost accolades in the field, celebrating designs that push boundaries and inspire new trends.

Green Circ

Green Circ's unique design resonates with current trends in the jewelry market, offering a fresh perspective on traditional circular forms. By seamlessly blending aesthetic appeal with functional wearability, this jewelry set aligns with the evolving needs and preferences of modern consumers. The innovative placement of the ring and the dynamic spiral structure of the earrings showcase Zomorodi's ability to create pieces that are both visually striking and practically suited for everyday wear.

What sets Green Circ apart is its harmonious fusion of contrasting elements. The design draws inspiration from the cyclical nature of life and the changing seasons, embodying the balance between winter's purity and spring's vitality. The interplay of white diamonds and green emeralds creates a mesmerizing visual rhythm, while the sturdy yet delicate construction ensures the pieces are suitable for various occasions. Zomorodi's meticulous attention to detail and careful selection of high-quality materials elevate Green Circ to a truly exceptional level.

Winning the Bronze A' Design Award serves as a powerful motivator for Nima Nazem Zomorodi and his team to continue pushing the boundaries of jewelry design. This recognition validates their commitment to excellence and innovation, inspiring them to explore new creative avenues and set even higher standards for future projects. As Green Circ gains international exposure through this award, it has the potential to influence trends and spark further innovation within the jewelry industry.

Nima Nazem Zomorodi, a fifth-generation jeweler from the renowned Zomorodi family, designed the Green Circ jewelry set. With over 15 years of experience managing the Emerald Jewelry Gallery and creating minimalist, classic, and modern collections, Zomorodi's expertise shines through in this award-winning design.

About Zomorodi Jewelry Gallery

Zomorodi Jewelry Gallery boasts a rich heritage spanning approximately 160 years, firmly establishing the Zomorodi family as one of Iran's most prominent jewelers. Under the direction of Nima Zomorodi, an acclaimed designer with numerous accolades, the gallery upholds its dedication to minimalist elegance. Situated within Tehran's prestigious Sam Center shopping mall, the gallery presents a wide array of exquisitely crafted jewelry, each piece a testament to the artistry and meticulous attention to detail that define the Zomorodi legacy.

About Bronze A' Design Award

The Bronze A' Design Award recognizes outstanding designs that demonstrate a high level of creativity and practicality. It acknowledges the skill and dedication of designers who produce work that stands out for its thoughtful development and innovative use of materials and technology. Winning designs are recognized for their professional execution and potential to positively influence industry standards. The Bronze A' Design Award signifies a notable achievement, a prestigious recognition granted to designs that showcase creativity, ingenuity, and astuteness. The rigorous selection process involves blind peer review by an expert jury panel of design professionals, jewelry industry experts, journalists, and academics who evaluate entries based on pre-established criteria.

About A' Design Award

The A' Jewelry Design Award is a distinguished international competition that attracts a wide range of participants, including visionary jewelry designers, innovative design agencies, forward-thinking companies, and influential brands. By taking part in this prestigious award, entrants have the opportunity to showcase their creativity, gain global recognition, and be celebrated for their exceptional jewelry design skills. The A' Design Award, now in its 16th year, is driven by a

philanthropic mission to enhance society through the power of good design. By recognizing and promoting superior products and projects that advance and benefit the global community, the award aims to inspire designers and brands to develop innovative solutions that positively impact the world.
