ABU DHABI, UAE, UNITED ARAB EMIRATES, September 25, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- The GCC GOV HR & Youth Summit 2024 scheduled on October 9-10 in Abu Dhabi at the Grand Hyatt Hotel and Residences Emirates Pearl, will be a landmark event gathering top HR professionals, industry influencers, government [human capital](#) specialists and experts from around the world including John Mattone ( (30) John Mattone | LinkedIn )the world's top executive coach for five consecutive years and the Founder of one of the world's leading coaching and [leadership development](#) firms, John Mattone Global (JMG).

The 12th Annual summit will once again connect thought leaders, AI trailblazers of the Future of Work, young professionals working in government and public sector entities to seasoned HR experts, youth leaders, heads of ministries, and key government officials to initiate new conversations focussing on a new and golden era of the GCC as leaders in transformation. The summit will offer insights into human capital transformation, digital workforce strategies, and public sector [innovation](#) under the theme 'Unleash the Human mAgic' by 'Connecting People to Purpose'. The joint expertise and discussions shape the future of government HR, aligning with global best practices while addressing regional needs. The summit provides a unique platform for collaboration, knowledge exchange, and driving forward-thinking approaches in governance and human resource development.

Renowned leadership expert John Mattone, recognized as the World's #1 Executive Coach, will

deliver the opening keynote address. Highlighting the importance of developing leaders who can drive transformation and innovation and reflecting on his extensive experience in the Gulf, Mattone shared, "I am thrilled to be part of the upcoming GOV HR Summit. 60% of the work JMG does worldwide is from the Arabian Gulf. The Middle East region has got incredible potential. The future is really bright for organisations in the region. In my experience, leaders in the GCC often embrace a deeper spiritual focus and soul oriented, and my 'Intelligent Leadership' philosophy is well-received as it emphasizes the development of the inner core. This region's leaders, including government officials and multinational CEOs, value patience and respectful trust-building, which are essential for fostering vulnerability and growth."

“
