

# A Call From STARRS Leadership for Volunteers

COLORADO SPRINGS, CO, UNITED STATES, September 24, 2024 /EINPresswire.com/ -- The President and CEO of STARRS, Dr. Ron Scott (Colonel, USAF, Retired), seeks American patriots to join STARRS as volunteers.

"If the personal security of your family and country is of utmost importance, please read on," Scott said.

"If we hope to alert military leaders, Congress, and the nation to the dangers of DEI/CRT in the military, STARRS must expand its voice to more Americans at the grassroots level," Scott said.

"Therefore, STARRS is expanding its outreach efforts to increase awareness of our purpose, activities, and mission to a wider audience in all 50 states," Scott said.

Part of this effort involves identifying and recruiting state volunteers to organize a statewide network of people who support a strong military and want to help STARRS spread the word about the dangerous Diversity, Equity, and Inclusion (DEI) and Critical Race Theory (CRT) programs that are weakening our military's combat readiness.
