The Word On The Street Toronto Book and Magazine Festival, a hallmark celebration of Canadian literacy and writing, will take place at Queen's Park Circle, Toronto, on September 28-29, 2024. message to readers from around the world.

Tommy's Flag: A Blind Kitten's Tale follows the story of Tommy, a blind kitten who learns about the traditions of the American Flag from his mother. Through this touching tale, Tommy discovers what it means to be an American and the significance of living in a country he is taught to cherish. Moak's narrative beautifully captures themes of patriotism, national pride, and the importance of understanding one's heritage, making it a valuable read for young readers and their families.

Katie Moak, the author of Tommy's Flag, grew up in the piney woods of Southeast Texas in a log cabin with her large family. Her experiences as a military wife, traveling and living around the world, have deeply influenced her storytelling. Now residing back in Southeast Texas, Moak shares her stories with a new generation of readers. Known affectionately as "Grandma" by many local children, Moak's warmth and dedication to storytelling are reflected in her writing, which resonates with both young audiences and their parents.

The upcoming showcases of Tommy's Flag at The Word On The Street Toronto Book and Magazine Festival and The Frankfurt Book Fair are opportunities for Katie Moak's poignant story to connect with readers across the globe.
