

The Michael Jackson Auction Preview Presented By LA Hot Spot 'Level 8' & Kings Auctions Is Deemed 'The Event' To Attend

"The Event" at Level 8 will be an exciting evening showcasing Michael Jackson's signed art collection. Attendees include select bidders and Hollywood insiders.

BEVERLY HILLS, CA, UNITED STATES, September 27, 2024 / EINPresswire.com/ -- For the first time ever, Michael Jackson's signed art collection will be displayed for a pre-auction preview. The event will be star-studded with music icons, Hollywood heavy-weights, investors, and art collectors. [Level 8](#) provides the perfect backdrop for this unique one time only event with their eclectic setting, menus, and cocktail choices.

The Level 8 event precedes the live and online auction on October 6, 2024 so collectors, investors, and fans can get an up close look at the rare pieces prior to placing their bids. One of the most common comments heard when people see the art for the first time is "I didn't realize how large they are" and "now I understand the importance of each piece".

What everyone will immediately notice about the art is how large the drawings are. They measure in the range of almost 4 feet in height by almost 3 feet

wide. The drawings of Elizabeth Taylor, Marilyn Monroe, Andy Warhol, Van Gogh's Sunflowers, US Presidents, and others, provide a double-dip of Hollywood memorabilia.

Investors buzz that the collection should be kept together and displayed for the public to enjoy, perhaps in Hollywood. The idea of a traveling exhibition is being considered by another investor so people around the world can enjoy the pieces in person as well.

RSVP on [Kings-Auctions.com](https://www.kings-auctions.com) for your exclusive invite. Limited Entry.
