

# VeriScan Earns 17 Badges in G2's Fall 2024 Report

*Identity verification powerhouse IDScan.net's core platform, VeriScan, received badges including Best Usability, Highest Adoption, and Fastest Implementation*

NEW ORLEANS, LA, UNITED STATES, September 25, 2024 / EINPresswire.com/ -- IDScan.net is proud to announce their [VeriScan](#) platform has earned 17 badges in G2's Fall 2024 Report; 5 of which were High Performer badges.

VeriScan is IDScan.net's AI-powered [age verification](#) and visitor management solution, enabling users to verify identity, securely manage customer data, and seamlessly sync information across locations and integrated software.

G2 is the largest and most trusted software marketplace, empowering more than 90 million people annually to make smarter software decisions based on peer reviews. More than 70 IDScan.net customers left detailed reviews of the VeriScan platform in Summer 2024, leading to the issuance of new badges, and greater visibility in both the age verification and identity verification product grids.

**“** Every ID scan is effortless, ensuring we can efficiently serve our customers.”
