

Security Solutions Services to Highlight Security Culture and Behavior at the Upper Peninsula Cybersecurity Symposium

Michigan-based cybersecurity leader aims to enhance organizational resilience and security awareness amid rising threats.

DETROIT, MICHIGAN, UNITED STATES, September 26, 2024 / EINPresswire.com/ -- [Security Solutions Services](#) LLC (S-3), a leader in cybersecurity solutions, is set to showcase its expertise at the 3rd Annual Upper Peninsula Cybersecurity Symposium, which will be held at Northern Michigan University's Northern Center in Marquette from September 30 through October 2, 2024.

The symposium will feature Erick Wicklund, Chief Technology Officer at S-3. Wicklund's presentation, titled "Implementing a Security Culture and Behavior Program," will delve into the essential strategies organizations need to embed security into their daily operations, ultimately reducing incidents caused by human error.

“

Creating a robust security culture is critical in today's rapidly evolving digital environment.”

Erick Wicklund, Chief Technology Officer at S-3

“We are honored to participate in the Upper Peninsula Cybersecurity Symposium 2024,” said Wicklund. “Creating a robust security culture is critical in today's rapidly evolving digital environment. Our presentation will focus on practical steps to ensure that security becomes a

fundamental part of organizational behavior, helping to safeguard against increasingly sophisticated cyber threats.”
