Clients have praised the studio for its exceptional service and results. Naomi Shibley shared, "Such a fantastic experience with Blue at Apollo tattoo studio! Amazing care and treatment from start to finish. The whole experience was easy and enjoyable. Blue transforms tattooing into a true art form and does incredible work. Also loved seeing all the great jewelry and piercings at the front. Can't wait to come back for my next tattoo!"

Megan K. added, "I've had piercings, and a tattoo done before, but this was by far the best experience I've had. I had double and triple lobes and a flat piercing done this morning, and from start to finish, the experience was great. The studio is clean, and the jewelry options are gorgeous and of high quality. But best of all is the owner, Blue. He has such a welcoming and calm presence, but keeps you laughing throughout the process, which puts you at ease. Highly recommend Apollo Studio."
