Founded in 2012, Clarity elevates warfighter effectiveness by blending national security mission expertise with commercial innovation and by helping the government redefine its relationship to technology. Clarity's mission is to connect people to the technology and tradecraft necessary to make the U.S. and world a better, safer place.

In June 2024 Clarity acquired and merged Chameleon Consulting Group into the Clarity platform. Chameleon Consulting Group is a provider of full spectrum cyber

operations solutions and services, to create a vanguard of next generation systems and cyberspace products and services to the U.S. Department of Defense and Intelligence Community.

Clarity is a portfolio company of Capitol Meridian Partners, a Washington, DC-based firm that invests in companies at the nexus of government and commercial markets.
