

Tess Mann Atelier Paris Fashion Week Show Canceled Due to Lost Collection in Transit

Tess Mann Atelier cancels its Paris Fashion Week showcase due to the loss of the entire Spring/Summer 2025 collection. Updates will follow as they develop.

NASHVILLE, TN, UNITED STATES, September 25, 2024 / EINPresswire.com/ -- [Tess Mann Atelier](#) regrets to announce that the highly anticipated showcase of the Spring/Summer 2025 collection during Paris Fashion Week has been canceled. Despite exhaustive efforts, Tess Mann Atelier's entire Sophisticate Collection was unfortunately lost in transit and has not been recovered in time for the September 25, 2025 show at the iconic Maison des Métallos.

After extensive communication with the airline and baggage claim teams, the Tess Mann Atelier team were informed that there is no feasible way to retrieve the collection for the show tonight. This decision comes with great disappointment to fashion designer Tess Mann, her team, and the [Global Fashion Collective](#), as well as the guests who were looking forward to experiencing the artistry of her latest designs.

While the collection will not appear on the runway tonight, guests invited by Tess Mann Atelier will still be able to attend the event and enjoy the showcases of other talented designers, using the tickets previously emailed to them by Global Fashion Collective. Tess Mann Atelier states:

"We are deeply disheartened that we cannot share the Sophisticate Collection with Paris today, but we remain incredibly grateful for the support of our guests, the fashion community, and our partners," says Tess Mann.

In response to this unfortunate situation, the Tess Mann Atelier team shared the following message on social media:

"We are deeply disheartened that we cannot share the Sophisticate Collection with Paris today, but we remain incredibly grateful for the support of our guests, the fashion community, and our partners."

"It is with a heavy heart that we share a significant update regarding today's showcase at Paris Fashion Week. Due to an unforeseen and unfortunate event, our entire Sophisticate Collection has been lost in transit. Despite every effort made to recover the pieces in time from the airline, it has become clear that we will not be able to present as planned today.

Much like the garments that were swept away on their journey, so too does life sometimes carry us in unexpected directions. In fashion, as in life, moments of loss remind us of the delicate beauty in every endeavor. Though our

designs may not grace the runway today, we embrace this moment as part of the unpredictable fabric of our journey, knowing that even in absence, there is a story unfolding.

We extend our deepest gratitude to the team, our supporters, and the fashion community for your continued encouragement. Tess Mann Atelier will rise from this with even greater resolve, and we look forward to sharing the Sophisticate Collection with the world again very soon.

Thank you for your understanding and support.

With love and resilience,

Tess Mann Atelier"
