“We are honored to have Sinai Residence's Health Center recognized as one of America's Best Nursing Homes by Newsweek,” said Cameron Gordon-Forbes, Executive Director of the Health Center at Sinai Residences. “This is a testament to the entire Health Center at Sinai Residences

team and their commitment to quality care and the well-being of our residents every single day.”

The America's Best Nursing Homes 2025 ranking lists the nation's leading nursing homes in the 25 states with the highest number of facilities according to the Centers for Medicare & Medicaid

Services (CMS). The evaluation is based on four data sources:

- **Quality Metrics:** Centers for Medicare and Medicaid Services (CMS) data were used to determine the performance of nursing homes. This year, the weighting of the performance data pillar was increased within the scoring model to reflect the emphasis on the medical key performance indicators.
- **National Online Survey:** From June to July 2024, thousands of medical professionals (registered nurses, nursing home managers and administrators, licensed practical nurses / licensed vocational nurses, nursing assistants, therapists and physicians) were invited to an online survey in cooperation with Newsweek.
- **Accreditation Data:** Nursing homes provided by The Joint Commission (TJC) and Commission on Accreditation of Rehabilitation Facilities (CARF).
- **Google Reviews:** as a proxy for resident satisfaction.

The Health Center at Sinai Residences was also recognized in 2023 as one of 50 Florida nursing homes to receive a 5-Star Rating from U.S. News and World Report's annual rating report.

In 2024 Sinai Residences was named to Newsweek's list of "America's Best Continuing Care Retirement Communities" and ranked number one in America on Fortune's "Best Workplaces in Senior Living." Rachel Blumberg, President & CEO of Sinai Residences, was named the 2023 Executive of the Year by LeadingAge Florida, the state's only association representing the entire continuum of care for aging services. Sinai Residences also received the 2022 LeadingAge Florida Innovation Award for using new technologies and best practices that enable staff to spend more
