As a trusted name in the marine industry with seven service yards across the mid-Atlantic, Zimmerman Marine (ZMI) is uniquely positioned to offer comprehensive support to Selene owners as they cruise the East Coast. From routine maintenance to specialized repairs, Zimmerman Marine will now have full access to Selene's parts, technical information, and engineering data, making them the go-to service provider for current and future Selene yacht owners.

“We are excited to partner with Selene Yachts. As a service

network geared towards cruisers, ZMI and Selene are a great fit. With seven service yards in the mid-Atlantic, ZMI is well-positioned to provide support and service to Selene owners as they make their way up and down the East Coast,” said Steve Zimmerman, President and Founder of Zimmerman Marine.

Wayne Goldman, President of Selene Yachts Americas, echoed this excitement: "At Selene Yachts Americas, our top priority is ensuring that our owners enjoy the highest level of service and support. Partnering with Zimmerman Marine allows us to offer that assurance along one of the busiest cruising routes in the U.S. Their reputation for excellence and attention to detail aligns perfectly with Selene's commitment to craftsmanship and customer care. We're confident this partnership will benefit our owners for years to come."

Selene Yachts, known for its luxurious, ocean-ready yachts, has built a reputation for performance, reliability, and quality craftsmanship. The collaboration with Zimmerman Marine reinforces Selene Yachts Americas' mission to provide outstanding after-sales support and ensure that Selene yachts remain adventure-ready, no matter where their owners travel.
