Perched atop the verdant hills of Nosara, Hotel Boutique Lagarta Lodge is more than a beautiful beach destination—it's where world travelers fall in love with Costa Rica's biodiversity and charm. Located in one of the world's renowned blue zones (regions known for extraordinary longevity), this boutique resort embodies the Nicoya Peninsula's ethos of healthy living and joyful well-being.

Lagarta Lodge stands out as a model of community social responsibility. A portion of the hotel's revenue is donated to [Edunámica](#), a local NGO that supports the Nosara Technical Center, an initiative providing technical education opportunities for the local population. Since its founding in 2002, Edunámica has benefited more than 40,000 individuals with scholarships that foster academic, athletic, artistic, and creative talent.

Perfect for food lovers, spa, wellness and yoga enthusiasts, surfers, birdwatchers, and nature explorers, Lagarta Lodge features 36 elegantly designed accommodations, ranging from luxurious suites to spacious two-bedroom villas, ideal for families. Guests enjoy complimentary breakfast and access to a mangrove and tropical forest reserve that connects with Costa Rica's Ostional National Wildlife Refuge, renowned worldwide for its mass sea-turtle arrivals, known as arribadas.
