Boys & Girls Clubs of Carson serves children and youth daily in Carson, Gardena, Long Beach, and Los Angeles.

This year's gala promises to bring inspiring mission moments front and center, while honoring distinguished partners who have made a profound impact on the lives of underserved children, youth, and families.

The honorees to be recognized this year include Beyond the Bell, Paula Kendrick (BGCC board member and founder of CMP, a risk management consulting firm), and Carson Companies.

“This year's gala is more than just a celebration—it's a testament to the power of our collective efforts in bringing about tangible change. Together, we're proving that every

young person, regardless of their circumstances, can achieve a great future when given the right support and opportunities," said Kim Richards, CEO of Boys & Girls Clubs of Carson.

"With a presence in the greater South Bay community dating back more than 240 years, Carson Companies is an enthusiastic and grateful supporter of the Boys & Girls Clubs of Carson," said Todd Burnight, Sr. Vice President of Marketing and Development at Carson Companies about its thirty-two year partnership with the BGCC.

The theme for this year's event, "Mission: Possible," draws inspiration from the thrilling world of Tom Cruise's "Mission: Impossible" film franchise, where no mission is too daunting.
