Scarborough's "[From Today to Eternity: A Study of Biblical Prophecy and End Times Volume 1](#)" is set to captivate audiences with its in-depth analysis of Biblical prophecy. This seminal work will be featured at two prominent literary events: The Word on the Street Toronto Books and Magazine Festival and the Frankfurt Book Fair 2024.

"From Today to Eternity" offers a detailed examination of the prophetic scriptures within the Bible, aiming to alleviate the fears and uncertainties many Christians face about the future. Scarborough's volume is designed to provide clarity and insight into end times prophecies, supported by a thorough exploration of theological concepts and interpretations. As one-fourth of the Bible addresses prophecy and end times, Scarborough's work is a crucial resource for those seeking to understand these complex themes.

A self-taught student in Biblical prophecy, Walter R. Scarborough applies his precision as an architect to the study of eschatology. Despite lacking formal theological credentials, his rigorous approach and passion for prophecy, and dedication and extensive research have resulted in a two-volume set that demystifies Biblical prophecies and presents them in a structured and accessible manner, designed to offer readers a robust understanding of eschatological themes.

At The Word on the Street Toronto Books and Magazine Festival, taking place at Queen's Park Crescent East on September 28-29, 2024, visitors can explore Scarborough's work at [The Maple](#)
