Inviting and welcoming customers and market buyers to experience [ZUO’s new indoor and outdoor introductions](#), alongside exciting fall trends during a spirited Market Happy Hour on Saturday, Oct 26 through Wednesday, Oct 30 from 3-6pm.

Daily Market Happy Hour will feature their signature frozen margaritas alongside a full bar as their sales team will be

on hand to offer personalized and group tours of their new introductions. Boasting over 30,000 square feet of showroom space, ZUO’s High Point flagship showroom is located within the IHFC Bldg, FL 5, Space H-534 (210 E. Commerce Ave) and highlights an endless array of contemporary designs that flows seamlessly from room to room with visually stunning and colorful product displays.

Luis Ruesga, commented, "Fall High Point Market is one of the best markets of the year, and a chance for us to reconnect with our customers and to highlight our newest designs, while we premier exciting fall trends," Ruesga added that ZUO's collections offer a wide range of design styles and consumer friendly price-points, with added flexibility from customizable solutions whether they are purchasing out of their warehouse or building your own containers, and in the development of private and white label collections.

For nearly two decades, ZUO has been renowned and celebrated for their ability to design and curate the hottest home furnishings by hospitality purveyors, interior designers and retailers alike who love their original collections and distinctive flair. Heading into the fall shows ZUO will debut 125 + products across bar, dining, living, office, bedroom and lounge categories that focus on innovative textural fabrics in warm natural color palettes, and with contemporary and organic shapes. Serena Martin, 24/7 Creative Agency, commented, "ZUO is a must-see for me at High Point Market. Not only because I love Mid-Century Modern Design, but because their team is incredible at their visual presentation and their ability to curate and showcase new home furnishings. From cultivating emerging trends, to combining colorful and playful motifs, with innovative materials, their collections always deliver a wide range of design styles."

ZUO is also known on the global stage as one of the leading resources for stylish and affordable outdoor furniture. During High Point Market their new introductions will be on full display. Just coming off of two back to back and well attended summer shows, that garnered increased sales and interest from outdoor buyers. Summer shows included July and September Casual Markets in Atlanta, where ZUO launched 150 new outdoor bar, dining and living products that showcased exquisite finishes, durable outdoor materials and a wide variety of design styles,

"We are incredibly proud of our recent nominations and for the excitement from this summer's

Meet ZUO's Bilanka Coffee Table, a masterpiece meticulously crafted from solid mango wood. Ideal for hotels or home interiors, it seamlessly complements a variety of design styles, from modern and glam to deco and maximalist aesthetics.

show season momentum. With the debut of hundreds of new designs at the casual shows we are excited by buyers' interest and that many of our customers still need new unique inventory." Ruesga said, "We look forward to helping the design and trade industries with new designs that will freshen up their projects and retail offerings and stand out in the competitive marketplace. And to help our clients' pursuit of attracting new consumers who want the look of luxury outdoor living but without having to sacrifice their budget."

ZUO's extensive outdoor line, features over 350 SKUs that are available for immediate delivery, and includes products for outdoor dining, bar, lounging and entertaining in a wide range of styles and colors. With beautiful, modern silhouettes, unique woven weaves, and weather resistant

materials –all crafted to withstand the elements and last for years to come, ZUO promises their luxurious outdoor furniture offers a resort-like experience for furniture enthusiasts and industry professionals who are looking for elevated designs that won't break their budget.
