

# PETTINA VELEZ INVITES READERS ON AN ARTISTIC ALPHABET JOURNEY WITH WILD ANIMALS

*Author Pettina Velez welcomes readers to explore new elements through her hand-painted illustrations.*

LOS ANGELES, CA, UNITED STATES, September 26, 2024 / EINPresswire.com/ -- [Pettina Velez's](#) "Learn Your ABC's Through Art with Me" is a beautifully hand-painted children's book that not only teaches the alphabet but also kindles a love for art. Each letter comes to life with acrylic paintings of wild animals from around the world, making learning both visually captivating and fun. The book combines education with creativity, and it offers an inspiring experience for young readers.

Learn Your ABC's Through Art with Me

A review from the US Review of Books by Michael Radon says that "Children will get the opportunity to learn not only about the letters of the alphabet but a diverse selection of animals from around the globe. Some of these creatures will be familiar, while others may have parents and kids heading to the Internet or the zoo to catch a glimpse of them in action. The large illustrations have defined brushstrokes that give a sense of texture, capturing the attention of even the youngest potential readers and encouraging them to reach out and touch the page, including the letter itself. By getting more than one sense involved, this book will be something that children want to interact with and help them get started on the path to reading many more wonderful books of all shapes and sizes."

Pettina Velez's "Learn Your ABC's Through Art with Me" is now available on [Amazon](#), Barnes & Noble, and other digital bookstores.
