

# DEL H. SMITH UNTANGLES PROFOUND QUESTIONS ON FAITH, SPIRITUALITY, AND LIFE'S PURPOSE AT KEY BOOK FESTIVALS

*Author Del H. Smith extends an invitation to examine life's meaning through novel notions and embrace a fuller understanding of their essence*

TORONTO, ONTARIO, CANADA,  
September 26, 2024 /

EINPresswire.com/ -- With his latest work, "Discovering Life's Purpose: Re-examining the Club," author Del H. Smith delves into spirituality, reasoning, and the essence of existence, going beyond the teachings of traditional faith. This thought-provoking release will be featured at The 35th Word on the Street Toronto Books and Magazine Festival and the 76th Frankfurt Book Fair.

Discovering LIFE'S PURPOSE: Re-Examining the Club  
by Del H. Smith

Smith presents readers with a well-rounded exploration of atheism's arguments, the validity of the Bible, and the teachings of Christ. This allows readers to consider their own life's purpose with a solid foundation of reasoning. In addition, the book includes a unique "book within a book" called The Sayings of Jesus. This compilation contains nearly 400 teachings directly from Christ, that provide an in-depth knowledge of our creator's purpose for our lives.

Along with probing deeply into theological debates, Smith's captivating story extends an open invitation to readers to choose their own course. This work invites individuals of all beliefs to question their assumptions and approach life's profound questions with an open and logical mindset.

"A readable and highly detailed inquiry into the roots and values of Christianity." — KIRKUS Book Reviews.

LitPick Reviews awarded Smith's book 5-Stars, calling it "A fresh take on religious writing."

Andy, an Amazon customer, calls the book "very meaningful, inspirational, and enjoyable" in his review. He commends it for providing an excellent and thorough summary of the main ideas in the Bible and how they relate to everyday life. He finds this work stands out as a valuable and energizing read as it simplifies the complex and challenging topics found in the sacred text.

Del H. Smith's "Discovering Life's Purpose: Re-examining the Club" serves as both a philosophical inquiry and a spiritual guidance, allowing readers to reconcile intellectual curiosity with spiritual belief. Smith's work, which is both rigorous and compassionate, bridges the gap between religious seekers and those who find traditional answers simplistic.
